

New Leadership for the West Long Branch Ski Club!

By Harriet Warner

Dottie & John Binder have agreed to take over the leadership of the WLB Ski Club. Long-time members and avid skiers, the Binders bring a new viewpoint and enthusiasm to the club.

The club was started in 1978 by Harriet & Jerry Warner who have been actively involved in the organization and operation of the group for nearly 32 years! Jerry & I feel that the time has come to step down and turn over the leadership to "new blood." We will still be members and go on many of the ski trips....as long as we are able.

The dues will remain \$10 per person for the season. The next Newsletter with all the details about next season's ski trips will be sent out in early August.

You can reach the Binders at: 732-271-1964 or 732-977-9806 (cell). Email: dorothybinder65@yahoo.com.

Big Sky 2010 Ski Trip Report

by Joan Hall

Who says winter ends in March?

Certainly not the West Long Branch Ski Club members who were lucky enough to schedule a March 30 to April 6 trip to Big Sky resort in Montana, a perennial favorite for the club.

Plenty of snow and super conditions made for lots of smiles as intermediates and experts alike found their favorite spots among the varied and vast terrain.

And those breakfasts! Huntley Lodge included full breakfasts that satisfied everybody and prompted rave reviews.

A Friday evening pizza party served as a fine send-off for Jerry and Harriet as they passed the baton -- no, make that a ski pole -- to John and Dottie, and provided a perfect ending to another wonderful season of fun and friendship!

Preview of 2010 / 2011 Ski Trips
